Honorable Lewis L. Strauss
Brandy Rock Farm
Brandy Station, Virginia

Dear Lewis: Strauss

I have your note and am certainly distressed to learn of your illness. I hope that you are convalescing and that you will soon be up and about and back to your normal routine.

It was good of you to take the time to let me know of your feelings and reaction to the report of the Warren Commission. The support of staunch friends such as you means a great deal to all of us in the FBI and you were most kind to comment as you did.

In the event that you did not see some articles which appeared in the press recently on this topic, I am enclosing three which have some rather pertinent observations.

Sincerely,

Edgar
